Having regard to the grounds raised in the writ petition and the various documents placed on record including additional Exhibit P9 and also the submissions of Sri.K.Prabhakaran, standing counsel who has taken notice on behalf of the respondents, I am of the view that there is justification for granting positive relief to a certain extent to the first petitioner. Accordingly, the writ petition will stand disposed of with the following directions.

2. The respondents will release all the amounts due to the first petitioner on account of DCRG within two months of receiving copy of this judgment. As regards the second petitioner, it is seen that Exhibit P7 has been submitted by him before the Managing Director of the KSRTC. The Managing Director will take up Exhibit P7, consider the same in the light of the various grounds raised in the writ petition and take a correct and just decision on the same at its earliest and at any rate within two months of receiving copy of this judgment along with a copy of this writ petition. If the

second petitioner is desirous of a hearing opportunity, he is directed to make a request in that regard and if a request is received, opportunity will be given to the second petitioner for hearing.

Writ petition is disposed of as above.
